No. 12

## Kenyon Is Host To 150 Pre-Freshmen This Weekend

This weekend Kenyon will play host to over 150 prospective freshmen, representing roughly 75% of next year's entering class. The hopeful "fuzzies" will come from as far away as Kansas and Florida.

Among those already accepted are two Merit Scholars and many top athletes. Due to the number of applications, about the same as last year but twice that of two years ago, hopeful students are finding admission tougher than ever before.

### Lively Program

As usual, Mr. Scudder and his staff have planned a lively program for the visitors. At 11:15 Saturday there will be an AF-ROTC program in Ascension Hall. Second lunch, at 12:40, will be followed by an address of welcome by President Lund. At 1:30 the tennis team will play Wooster, and at 2:30 the baseball team will meet Fenn and the lacrosse team Ohio Wesleyan.

At 6:45, following dinner at 6:15, there will be a program of informal singing, and at 7:30 a reception by President Lund and the faculty. From 9 to 11, the Freshman Class will welcome the visitors at the Pan-Hellenic Smoker in North Hanna parlor.

Sunday morning the Pre-Freshmen may attend Morning Prayer at 11, and Dinner at 12:15. The athletic facilities will be available both days.

### Scholarship Interviews

Aside from giving prospective students a chance to see Kenyon, an important purpose of the weekend is to interview scholarship applicants. The Faculty Committee on Scholarship will interview candidates from 1:30 to 4:15 Saturday and 9 to 10:15 Sunday. There are 40 scholarship totaling about \$25,000 available to next year's freshmen, including the new Gordon Chalmers and Philander Chase scholarships, totaling \$1,800. This year, for the first time, the scholarship applicants are required to take the College Board Achievement Tests, as well as the Aptitude test D.W.

## Religion Dept. Wins Grant; Adds Lecturer

Kenyon's Department Of Religion has been awarded a grant by the Lilly Foundation for the purpose of adding a member to the department for the next two years. The foundation, which awards its grants on a competitive basis, is interested in improving the instruction of the departments of religion in colleges and universities throughout the country.

**Zucker To Be Visiting Lecturer**  
Kenyon's department of Religion plans to use the money to add a visiting lecturer to the department. Dr. Wolfgang Zucker, who delivered a lecture here last February, has agreed to be a visiting lecturer for next year. Another person will be chosen for the following year.

Kenyon received the grant after sending the Lilly Foundation a copy of its new plan for religious instruction at Kenyon. This new plan, as explained in the new College catalogue, is to

## Trustees Announce Start Of \$8 Million Long Range Program For Development; Immediate Campaign For \$1.8 Million

### Need 1.8 Million Right Away For New Library, Science Addition and Repairs

At the conclusion, on Saturday, April 11, of a special two-day meeting of the trustees of Kenyon College, announcement was made that the College will undertake an \$8 million long-range program for development.

The first objective, however, will be an immediate one-year campaign for \$1.8 million to satisfy the most pressing needs of Kenyon's undergraduate department and its Episcopal seminary, Bexley Hall.

### HARPSICHORD AND VOCALIST CONCERT HERE TONIGHT

Tonight at 8 o'clock a harpsichord player and a vocalist will be co-featured in the final program of the 1958-1959 concert series. The concert will be presented in the Great Hall of Peirce Hall.

Christine Harnsberger, harpsichord player and Alice Engram, mezzo soprano, are the featured performers. Music of the Baroque and Renaissance periods will be the major offering of the evening.

Compositions by Bach, Buxtehude, Gluck, Handel and others will be presented. Miss Harnsberger will play her own harpsichord which she has named "George Frederic," the first two names of the composer Handel.

Miss Engram will sing in French, Italian, Spanish, and English. Both performers will present solos and Miss Harnsberger will provide harpsichord accompaniment for some of Miss Engram's solos.

They will be assisted by the Kenyon College String Ensemble directed by Dr. Paul Schwartz.

Admission to the concert is free.

### Trilling and Dilger End Lecture Season

In the next two weeks Kenyon will be host to two distinguished and outstanding men as the Inaugural Lecture Series comes to a close. The Series has included earlier in the year such men as Paul Tillich and Detlev Bronk, besides a special program featuring the Vienna String Quartet. The final inaugural lecturer will be Lionel Trilling.

Lionel Trilling comes as no stranger to Kenyon, as for many years now he has been an associate editor of the *Kenyon Review*. An author and critic, Trilling has won wide acclaim for his liberal style in critical works. Presently a professor at Columbia University, he shall speak on "The Anti-Heroic Principle in Literature." His lecture is scheduled for the 24th of April, and students must pick up their tickets from the Dean's Office before then.

The final lecture of this year's series will be on the 8th of May, when William C. Dilger will speak on a phase of animal behavior. A specialist in this field, he comes here from the Laboratory of Ornithology at Cornell University. The specific title of his lecture is "Animal Behavior and African Love Birds." Students must also pick up their tickets for this lecture.

J.C.

These pressing needs include a new College library (estimated at \$1 million) to be named in honor of Kenyon's late president, Gordon K. Chalmers; a \$350,000 addition to the science building; a \$150,000 expansion of the library for Bexley Hall; and funds with which to complete the field house at the College and to make necessary repairs to buildings.

There will also be an "advanced fund" of \$200,000 to replace annual giving while the campaign is in progress.

Attending this special meeting of the board were more than 200 nationally prominent alumni and friends of the College, clergy and laymen of the Episcopal Church, and parents of undergraduates. They came from states as distant as Florida, Massachusetts, Delaware, and Connecticut. The purpose of the meeting was to consult with these men and women about the advisability of undertaking the proposed campaign.

Both sessions were held at the University Club, where on Friday evening, at the first session, the principal speaker was Kenyon president F. Edward Lund. Dr. Lund discussed Kenyon's total needs as projected across a decade of development. He listed \$4.45 million for scholarship and salary endowment, \$2.5 million for new or remodeling buildings, \$300,000 for equipment, and \$526,000 for maintenance deferred.

"In comparison with several recently announced college campaign goals," Mr. Lund observed, "Kenyon has set itself a modest figure. We have put first things first, and we believe that we are asking only for that amount of support which will keep Kenyon in the front rank of private liberal arts colleges."

Speakers on Saturday morning included W. H. Thomas, Jr., vice president for development, and three trustees of the College: William G. Caples of Chicago, Vice President of Inland Steel Co., the Rt. Rev. John P. Craine, Bishop of the Episcopal Diocese of Indianapolis, and Phillip R. Mather, Industrialist, of Boston.

The two sessions were chaired by Pierre B. McBride, President of Porcelain Metals Corp. of Louisville, Ky. Mr. McBride is chairman of the executive committee of the board of trustees.

Mr. Thomas addressed himself to the subject of the immediate campaign. Mr. Caples spoke briefly as newly-appointed chairman of the campaign executive committee. Bishop Craine and Mr. Mather accepted appointments as national co-chairman for the campaign, and it was proposed that the Rt. Rev. Arthur C. Lichtenberger and William Foster Peirce be named honorary national co-chairmen.

Arthur Lichtenberger, a Kenyon graduate in the class of 1923,

## A Letter To Pre-Freshmen

To the Pre-Freshmen:

Welcome to Kenyon College.

Tracy Scudder, the Director of Admissions, tells us that there will be about one hundred and fifty of you visiting Kenyon this weekend. We hope your visit will be a pleasant one, but most of all we hope you will make good use of your visit to become acquainted with Kenyon. The Admissions Department has set up a good schedule and if you follow it and any other invitations you receive, you will learn as much about Kenyon as is possible in one weekend. In considering a college you should make a very close inspection of it, and we think that Kenyon will come through that kind of inspection with honors. At the same time, make yourselves at home and have a good time.

The Kenyon Collegian

## WKCO ADDS DAILY SPORTS PROGRAM

Kenyon Radio, WKCO, is buttressing its "strong foundation" with the addition of a tape deck and a daily sports program.

The recorder is to be used in conjunction with remote broadcasting facilities at Wertheimer Field House, Shaffer Pool and the Hill Theater. The sports broadcast may be heard Sunday through Friday at 7:55 p. m.

WKCO's recently redecorated studios in the Speech Building will be open to Pre-Freshmen Saturday, April 18.

J.McL.

## Debaters Take Second

The Kenyon Debate Society, coached by Dr. Paul B. Trescott, copped second place at the Miami University Sesquicentennial Debate Tournament, April 10 and 11.

Freshmen John S. MacInnis and Stephen E. Weissman lost out in the finals to the University of Pittsburgh, a team with a 17-0 record. The final tournament, held before the other assembled teams, resulted in Weissman's winning an award for individual speaking. Both MacInnis and Weissman received bronze medals.

After adding Kenyon College's new plaque to the trophy case, the debaters will go on to participate in a tournament at New York University, April 24 and 25.

J. McL.

## Winter Varsity Teams Draw High Averages

The registrar recently released the cumulative averages of Kenyon's three winter varsity teams. The cumulative average of the basketball team was 2.3, of the swimming team, 2.6, and of the wrestling team, 2.48. These are exceptionally good averages for athletic teams in comparison with other schools and should effectively refute those charges made against Kenyon of "recruiting" its athletic teams from the mines and railroads.

However, if this is not enough it can be noted that very few members of these teams have any sort of a scholarship or grant. Of the 23 members of the swimming team only seven receive scholarship aid. Out of the 21 on the basketball team only six receive financial aid. Also, out of these 21, ten are on the honor roll, with two receiving better than an 3.75 and four receiving better than a 3.5.

## Irikura To Speak On April 30 Under Auspices Of IRC

The Kenyon International Relations Club is sponsoring Dr. James K. Irikura, professor of political science at Kent State University, who will speak at Kenyon on April 30.

The topic of his address will be: "Historical Forces in Southeast Asian Nationalism." Dr. Irikura was recommended to the International Relations Club by Minoo Adenwalla, former instructor in the Kenyon political science department.

The meeting will be held in the North Hanna lounge at 8:00 P. M. After his talk Dr. Irikura will be available for free questioning and discussion. All interested persons are cordially invited to attend this meeting.

J. T. Moore

## Kingston Trio Slated To Appear At Denison

The Kingston Trio and the George Shearing Quintet will headline a program of entertainment to be presented at Denison University in Granville, Friday evening, May 15th.

"Melomania," a word meaning "an inordinate passion for music" is the title given to the stage show.

The appearance of the Trio will be their only one in Ohio this spring. They will be joined by the George Shearing Quintet featuring the famed blind jazz pianist, and the Salty Dogs of Purdue, the same college dixieland band that has appeared twice on coast-to-coast color TV programs and has played numerous engagements at the Blue Note in Chicago. This will be their first Ohio appearance although they have performed at most of the major colleges and universities in Illinois, Indiana, and Wisconsin.

The master of ceremonies for the evening will be Harry Jarkey, night club and TV comic. He will be aided by the "house orchestra," Lou Posey's Ambassadors.

Other groups that are scheduled to appear the same weekend at Denison include new RCA Victor Recording Star Phineas Newborn, Jr. and his trio, the Gin Bottle Seven, and Harry Epp's Muskrat Ramblers.

### The Remembrance . . .

The advent of Spring brings to many the promise of a reawakening and new life, but here at Kenyon, Spring awakens in many a strange sense of foreboding. The setting of Spring at Kenyon in the past has been a setting of tragedy and useless death. I speak, of course, of the death-dealing accidents Kenyon has witnessed during the past few years. The subject is not a pleasant one but then neither are accidents.

In an effort to curb automobile accidents this Spring, Dean Edwards has issued to the student body a statement which reads in part that any student apprehended while drinking and driving will be subject to immediate suspension. This policy statement has, perhaps, been long overdue, but now it is with us.

It is strange that the usual student cries of administrative paternalism and suppression are lacking in this case. Could it be that students finally realize that such a policy is ultimately going to benefit them and, perhaps, insure their safety?

It is very possible that this statement from the Dean's office will have little effect on the student body. However, the policy has been made, and any infraction of it should bring the penalty promised. There can be few extenuating circumstances which might excuse drinking while driving for driving under such circumstances endangers not only the operator of the vehicle but also those countless persons who could very conceivably come in contact with the vehicle.

As Spring comes upon us, it might be well to remember those warm Spring days and evenings in the past that have been the scenes of near fatal or fatal accidents. The past is finished and unchangeable, but the remembrance of it cries to us not to recreate it again this Spring. W.T.

### Henry Participating In Miami Univ. Conf.

Harley Henry is one of four outstanding students from four Midwestern campuses who will share the spotlight with nationally-known authorities in the conference on "What is a College For?" at Miami University today and tomorrow.

The Friday afternoon conference session will be a panel discussion of "Student Needs in a Changing World" by Ludwig W. Bruch, University of Wisconsin senior from Winnebago, Ill., and Henry, Kenyon College senior from Atlantic Beach, Fla., both recently chosen as Rhodes Scholars for next year; Allan Millett of Oxford, a DePauw University senior, and Christian E. Callsen, Miami senior from Madison, Wis.

Bruch, a physics major who has been awarded a Ford Foundation grant, has been active in inter-collegiate debating and campus government and has been secretary of his fraternity, Tau Kappa Epsilon.

Henry, varsity baseball player and student sports publicity director at Kenyon for three years, has made a special study of the poetry of John Donne and expects to study the history and development of the English Language at Oxford. He has spent his summers as a reporter on the Jacksonville, Florida, Times Union.

Millett, editor of his campus newspaper, varsity football player and member of Phi Beta Kappa, also reached the final round of Rhodes Scholarship. He is the son of Miami's President John D. Millett. He and Henry have held offices in their Beta Theta Pi chapter.

### Letters To The Editor

March 14, 1959

To the Editor of  
**The Kenyon Collegian**

Dear Sir:

I write in general objection to your printing unsigned letters and in particular indignation over the unsigned letter on loyalty oaths in the March 13th *Collegian*. I find it odd, but revealing, that a writer apparently so eager to endorse "the Age of the Loyalty Oath" should refuse to sign his name to his own opinions. My conclusion is that his loyalty to these opinions is small, and therefore he lacks the courage to have his name publicly associated with them.

Signed,  
 James F. Hoyle

Callsen, chairman of the student committee for Miami's Sesquicentennial, has been president of his fraternity, Delta Tau Delta, and of the A Cappella Singers as well as a company commander in Miami's Naval ROTC unit.

They will share billing with such speakers as Robert Hutchins, Max Lerner, August Heckscher, David Shepard and Mark Van Doren.

Hutchins, former chancellor of the University of Chicago, is president of the Fund for the Republic; Lerner, author and New York Post columnist; Heckscher, President of the Woodrow Wilson Foundation and former New York Herald-Tribune chief editorial writer; Shepard, executive vice president of Standard Oil of New Jersey; Van Doren, author and Columbia University professor.

## ADDITIONS MADE TO STUD. CONSTITUTION

Below are reprinted the corrections of the Student Constitution which were made in the Student Assembly meeting just before Spring Recess. At this time, the Constitution, as it appeared in the last issue of the *Collegian* plus the corrections noted below was passed and it is now in effect.

### ARTICLE VIII JUDICIAL DEPARTMENT

#### Section 1

(b) The report of this committee concerning Judicial Board jurisdiction shall require a two-thirds (2/3) vote of the voting membership Student Council before it officially goes into effect.

#### Section 2 Membership

2. A two-thirds (2/3) vote of the voting membership of the Council will be necessary for the approval of the Judicial Board members and the recommended faculty advisers. These appointments shall take place as soon as possible after spring vacation and will be executed by the new Student Council and the newly elected Student Government President.

(e) Permanent vacancies occurring on the Judicial Board shall be filled by appointment by the President of the Student Council with confirmation by two-thirds (2/3) vote of the voting members of the Student Council.

### ARTICLE IX APPEALS BOARD

**Section 1** The Appeals Board shall be composed of three (3) students elected by the Student Council, and four (4) faculty members chosen from a list of ten (10) submitted to the President of the College by the Student Council.

(c) A list of three (3) students and four (3) faculty alternates shall also be provided to furnish members to the Board in the case of the absence of regular members. The alternates are to be designated first, second, and third alternate.

#### Section 3 Procedures

(c) A simple majority, with no abstentions, shall establish the decision of the board. The decision, but not the vote, shall be made public.

(d) Seven (7) members shall constitute a quorum.

### KENYON PRE-FRESHMAN DAY PROGRAM

April 18-19, 1959

The *Collegian* reprints the pre-Freshman day program below for those readers who wish either to meet or to avoid the pre-freshmen during their visit this weekend. However, we do not guarantee that this schedule will be followed.

#### SATURDAY, APRIL 18

9:00 a.m. - 4:00 p.m.

Registration and room assignments ..... Admissions Office

11:15 a.m.

Optional AFROTC orientation — Discussion — questions — interviews with Major Frank O'Brien ..... Ascension Hall

12:40 p.m.

Luncheon ..... Great Hall, Peirce Hall

Address of Welcome ..... President F. Edward Lund

1:30 - 4:15 p.m.

Faculty Scholarship Committee interviews with scholarship applicants.

1:30 p.m.

Tennis — Kenyon vs. Wooster College.

2:30 p.m.

Baseball — Kenyon vs. Fenn College.

Lacrosse — Kenyon vs. Ohio Wesleyan University.

Shaffer Pool open.

6:15 p.m.

Dinner ..... Great Hall, Peirce Hall

6:45 p.m.

Program of informal singing ..... Peirce Hall

7:30 p.m.

Reception, President Lund and the Faculty ..... Peirce Hall

9:00 - 11:00 p.m.

Pan-Hellenic Smoker ..... North Hanna Hall

Class of 1962, hosts

#### SUNDAY, APRIL 19

7:30 - 8:30 a.m.

Breakfast ..... Great Hall, Peirce Hall

9:30 - 10:45 a.m.

Faculty Committee interviews with scholarship applicants (continued)

11:00 a.m.

Service of Morning Prayer and Sermon ..... Church of the Holy Spirit

12:15 p.m. and 1:00 p.m.

Dinner ..... Great Hall, Peirce Hall

## New Test. Manuscript Studied By Walker

BUCKHANNON, W. VA. — A three page New Testament manuscript, the earliest known to history, is the subject of an article written by a West Virginia Wesleyan College professor and a Bexley Hall Seminary student.

### Two Bexleyites

Prof. Howard M. Teeple, former instructor of bible at Bexley Hall, and Allyn Walker, Bexley Hall student, studied the only available transcript of the manuscript and compared it with photographs of the original.

The pair discovered various errors in the transcription. They discuss their findings in an article in the March issue of *The Journal of Biblical Literature*.

### Bodmer Library

The manuscript is the Bodmer Papyrus II, discovered a few years ago and now housed in the Bodmer Library in Cologne, Switzerland.

In the article, the authors call attention to the errors and urge that either photographic facsimiles or microfilms be made available to biblical scholars.

### Contents Are Vital

Scholars are attaching great importance to this manuscript due to its earliness. It is vital that its contents be reported accurately.

The major problem is there have been many erasures and changes in the manuscript and these later readings are being reported as original readings.

Dr. Teeple saw this manuscript at the Bodmer Library when he was in Europe in the summer of 1957.

## Fellowships Offered For Foreign Studies

Two hundred fellowships for graduate study in 15 foreign countries will be offered by foreign governments and universities through the Institute of International Education for the academic year 1960-61.

The Institute announced today that applications for the fellowships will be available on May 1 and will be accepted until November 1, 1959.

The scholarships cover tuition and varying amounts of maintenance in universities in Austria, Denmark, France, Germany, Iran, Israel, Italy, the Netherlands, Sweden, Switzerland, Canada, Brazil and Mexico. Students applying for Italian university awards or Austrian, Danish, French, German or Netherlands Government awards may apply for a Fulbright travel grant to supplement their scholarships. Two additional awards, offered by an American foundation, are for any country in the Far East, South of Southeast Asia and Africa.

### Requirements

General eligibility requirements are United States citizenship, a Bachelor's degree or its equivalent before departure, language ability sufficient to carry on the proposed study, and good health. A good academic record and demonstrated capacity for independent study are also necessary. Preference is given to applicants under 35 years of age who have not had extensive foreign experience. While married persons are eligible for most of the above described awards, the stipends are geared to the needs of single grantees.

For further information and application forms, prospective applicants should write to the Information and Counseling Division, Institute of International Education, 1 East 67th Street, New York 21, N. Y.

# JOCK JOTTINGS

Bill McCabe

One of the greatest inconsistencies in the curriculum of a college of the type which Kenyon professes to be is the requirement that each student receive a year's gym credit before graduation. The only alternative which the administration allows the student is participation in varsity athletics for the equivalent of a full school year. That is, for example, if a boy plays football throughout the season, he must then either play basketball or attend a gym class for the duration of the semester in order to receive a half credit. The futility of objecting to the actual requirement for gym credit wends me away from that argument. My objection is on behalf of the boy who plays a varsity sport and then has to waste time for the remainder of the semester in a gym class, time which could be precious in maintaining his scholastic average. Certainly such a system is not fair to the player who, by taking part in a varsity sport, donates more than twice the amount of time to athletics than the student who attends a gym class for a full year.

The gym classes meet for three hours each week, fourteen weeks a semester, which is a total of forty two hours. The varsity player, on the other hand, spends three hours a day, six days a week for a minimum of ten weeks, depending on which sport it is he is playing. Why, then, should he not get credit for it? He spends more time at sports, and the time is spent more strenuously. This is just one more way in which the college makes it hard on her athletes. And then they complain that more boys do not go out for varsity sports.

## WRESTLERS PLACE FIFTH IN CONF.

The Ohio Conference Wrestling Tournament was held on the weekend of March 6th and 7th at the University of Akron. Ten closely matched teams from Ohio demonstrated that wrestling is a fast upward rise in inter-collegiate competition.

Kenyon entered a full team of eight men in the competition; Jim Coates, Bard Robert, Norm Arnos, Bob Gove, Dick Schori, Henry Farwell, J. C. McDonald, and Tom Hall.

### Schori Only Finalist

During the first two rounds of the single elimination tournament, half of the Kenyon team was eliminated as were 60% of the 10 wrestlers competing in the tournament. Going into the third and final session held Saturday evening, Gove, Arnos, and Robert were in the consolation brackets for third place and Schori was the only finalist.

Robert was in the first bout of the evening and was matched with an experienced opponent. Bard did a fine job of wrestling and won 2-0.

### Gove Wins

Gove met Hiscox from Hiram in the consolation. In the dual meet this year these two competitors had wrestled to a draw. In this bout Gove was obviously the superior man but because two takedowns by Gove were executed on the edge of the mat, the referee did not give Gove the points and at the end of the match the score was tied. After a minute rest the bout then went into two overtime periods and Gove was declared the winner.

At the same time on another mat, Arnos had an almost identical match. At the end of this match the score was tied and in the overtime periods Arnos won 3-0.

In the championship bouts, Schori met the defending champion, George "Showboat" Brown (Cont. on Page 4, Col. 3)

## New Improvements Seen In Divisions

During this past year a noticeable program of divisional renovation has been undertaken by the respective fraternities and divisions on the hill. What is noteworthy in this respect is not the collective expenditure undertaken by the fraternities, in itself, although neither is it negligible, but rather the spirit with which the individual divisions have undertaken their projects and seen them through to completion.

This year, in addition to the usual spring-house-cleaning program which ordinarily accompanies the initiation of new members, a majority of the divisions have invested considerable money in repairwork upon, and new additions to, the fraternal furniture pool.

Archon, for example, recently refurbished their lounge, and purchased new rugs and drapes to grace a refinished floor and windows. Delta Phi invested in a coat of paint for the Middle Hanna halls and tiled a bathroom at the same time. The D Phi lounge was refinished, as was that of Phi Kappa Sigma. The Phi Kaps also painted their basement storage room and did minor repair work within the division proper.

Throughout Old Kenyon, each division carried out its own program of spring cleaning, and Sigma Pi put the pledges to work on its lodge behind Bexley Hall.

In Leonard Hall, the Beta's worked on the individual rooms cleaning rugs and furniture. Presently, the Beta's are working on improvements in their lodge. Recently, the Delts installed a food counter in their parlor and tiled one of the second floor living-rooms on a trial basis. Should such an improvement be approved by the fraternity, the division will benefit by being tiled throughout. The Delt lodge also received a food counter and bookcases, along with other minor improvements.

## ALL INTRAMURALS EXCEPT SOFTBALL OVER BY APR. 24

On Friday, April 10, the spring intramurals got under way as the first three softball games in this year's round robin tournament were played. By April 24, all the spring intramurals will be over with the exception of softball which will continue for another month. The schedule is as follows:

- April 20 — Track Preliminaries
- April 20 — Ping Pong Preliminaries
- April 22 — Finals of Track Meet
- April 22 — Finals of Ping Pong
- April 23 — Tennis tournament

As was the case last year, East Wing and Middle Leonard are the only two teams in contention for the Stiles Trophy. East Division, South Leonard, and Middle Hanna will probably line up in that order for third, fourth and fifth places.

Two important notices should be made concerning intramurals this spring: 1) In softball each team has to supply an official — the college will not. 2) Men out for varsity track may enter the intramural track meet, this year only, since the sport is on a trial basis.

Alpha Lambda Omega is in the process of rebuilding the basement "blue-room" into a lounge for the fraternity. These renovations have been accomplished by the individual chapters with little help from the college financially. Emerson Boyd, however, has been more than willing to advise the hill in its endeavors, and help where possible.

Ideally, many improvements could be undertaken by the college which would lend to better living conditions and an improved attitude on the part of upper-classmen.

A brief summary of such, should include new floors and stairways and an improved lighting system in Leonard and Hanna Halls. Students are in general agreement upon these basic living improvements and look forward to the college for their realization.

Another subject over which there is some speculation on the part of the "hill occupants" is the installation of flagstone paths leading to and from Middle Path from the various division entrances. Undoubtedly parking facilities for Hanna and Leonard should be expanded and improved.

These are just a few renovations which students feel should be undertaken in recognition of the fact that the students of this college have in the recent past shown a vital interest in the general condition of their living quarters, and have every right to expect some basic improvements to emanate from the administration, along these lines.

## Stickmen Drop A Close One To C. L. C.

### Baseball Wins One And Loses Two

Kenyon's baseball team opened its 1959 season last Friday, losing a close one in the last two innings to Wooster by the score of 4-0. Junior Willie Roane started on the mound for the lords at Wooster and lasted until the ninth inning when Joel Holmes replaced him to snuff a Scot rally. Wooster got one unearned run in the seventh and scored the remaining three in the ninth, all off Roane.

The next day, the Lords split a twin bill at home with Hiram. Pitcher Al Frost made good use of his vast repertoire of pitches as he went all the way in the first game which Kenyon won 11-2. Kenyon's pitcher in the second game, Gil Sperry, was not so lucky as he was taken for seven Hiram runs.

Holmes came in for ninth inning relief in this game also, which the Lords lost 7-2.

Kenyon's Lacrosse team played a surprisingly good game last Saturday against the Cleveland Club, just barely losing by the score of 6-4. The Lords, who have not looked very promising so far in practice, were able to combine their limited attributes and come up with some fine results, which were particularly evident during the second half.

During the first half Kenyon played as had been expected. By the end of that period the score was 5-1. Kenyon's only goal in the first half was scored by Sophomore attack man Dave Brown.

In the second half, however, the Lords exhibited some of Kenyon's traditional Lacrosse excellence, actually outplaying the Cleveland team and scoring 3 goals while holding their opponents to one. Brown again was responsible for one of the Lord's goals, as were Bruce Hobler and Captain Phil Banning.

## The College Calendar For the Academic Year 1959-1960

Below is the College Calendar for the academic year of 1959-1960 which has just been approved. The only questionable dates are those of the examinations for half-unit credit courses, January 29 and 10. Because many persons will have to take a large number of half unit courses next year to finish up odds and ends, there is a possibility that this period may be increased. This of course will not be known until after registration. Copies of this schedule may be picked up at the registrar's office.

|  |  |
|--|--|
| 1959                                       |  |
| September 19, Saturday                     | Dormitories Open for New Students          |
| September 22, Tuesday                      | Registration for New Students              |
| September 23, Wednesday                    | Registration for Returning Students        |
|  | Formal Opening of the 136th College Year   |
| September 24, Thursday                     | Classes Begin for Fall Session             |
| October 17, Saturday                       | Alumni Homecoming                          |
|  | Autumn Meeting of the Alumni               |
| November 4, Wednesday                      | Founders' Day and Matriculation            |
| November 13, and 14, Friday and Saturday   | Fall Dance                                 |
|  | Council                                    |
| November 26, Thursday                      | Thanksgiving Day. No Classes               |
| December 12, Saturday                      | Classes End for Fall Session               |
| 1960                                       |  |
| January 4, Monday                          | Classes Begin for Fall Session             |
| January 29 and 30, Friday and Saturday     | Examinations for Half-Unit Credit Courses  |
| February 1, Monday                         | Registration for Half-Unit Credit Courses  |
| February 2, Tuesday                        | Classes Begin                              |
| February 22, Monday                        | Honors Day                                 |
| March 5, Saturday                          | Classes End for Winter Session             |
| March 21, Monday                           | Classes Begin for Spring Session           |
| April 23, Saturday                         | Kenyon Day                                 |
| April 29 and 30, Friday and Saturday       | Spring Dance                               |
| May 19, 20, and 21, Thurs., Fri., and Sat. | Senior Course Examinations                 |
| May 23, Monday                             | Reading Period for Seniors Begins          |
| May 24, Tuesday                            | Classes End                                |
| May 25, Wednesday                          | Reading Period Begins                      |
| May 31, Tuesday                            | Reading Period Ends                        |
| June 1, Wednesday                          | Regular Course Examinations Begin          |
| June 3 and 4, Friday and Saturday          | Senior Honors Comprehensive Examinations   |
| June 6 and 7, Monday and Tuesday           | Senior Pass Comprehensive Examinations     |
| June 9, Thursday                           | Spring Session Ends                        |
| June 11, Saturday                          | Annual Meeting of the Alumni Council       |
| June 13, Monday                            | One Hundred and Thirty-Second Commencement |

In the academic year 1959-1960 classes will be held in the morning from 8:30 a.m. to 12:30 p.m., and in the afternoon from 1:30 to 4:30 p.m. Each class hour will be fifty-five minutes long, beginning on the half hour and ending twenty-five minutes past the hour.

# THERE'S AN IMPORTANT FUTURE AHEAD FOR THE MEN WHO WEAR THESE WINGS

The Air Force pilot or navigator is a man of many talents. He is, first of all, a master of the skies—and no finer exists. In addition, he has a firm background in astro-navigation, electronics, engineering and allied fields. Then, too, he must show outstanding qualities of leadership, initiative and self-reliance. In short, he is a man eminently prepared for an important future in the new Age of Space. Find out today if you can qualify as an Air Force pilot or navigator. Paste the attached coupon on a postal card and mail it now.

## MAIL THIS COUPON TODAY

Aviation Cadet Information, Dept. A-94B  
Box 7808, Washington 4, D. C.

Please send me details on my opportunities as an Aviation Cadet in the U.S. Air Force. I am a U.S. citizen, between the ages of 19 and 26½ and a resident of the U.S. or possessions. I am interested in ☐ Pilot ☐ Navigator training.

from Denison. Last year at this conference, Brown defeated Schori, but in this match Brown suffered a decisive loss as Schori won 8-2.

### Kenyon Fifth

With the final tallying of points, Kenyon ranked fifth among these ten schools. Hiram College took first place with 57 points, Akron 51, Ohio Wesleyan 49, Denison 31, and Kenyon 29. The other five schools participating in the conference were Oberlin, Muskingham, Wooster, Capital, and Wittenburg. D.S.

### Kingston Trio

(Cont. from Page 1, Col. 3)

The producers like to consider the program as "Ohio's answer to Newport" and have invited students from 36 Ohio colleges and universities to attend. Tickets and further information may be obtained by writing "Melomania," Granville, O.

### Religion Dept.

(Cont. from Page 1, Col. 1)

provide, "a sound intellectual basis for the understanding of religious faith, and the application of that understanding both to the other academic disciplines and the practical problems of daily life."

The department pointed out to the Collegian that it is definitely not a vehicle for evangelism, but a center of "intellectual enquiry" with the purpose of providing for students "both a sound and enduring foundation of knowledge and the stimulus to further study and enquiry."

The department explained that "Religion is one of the primary bases of culture. European and American literature for instance, is full of religious references, biblical and otherwise, which can be understood only by those who have the necessary background of knowledge," and that providing this background is one of the responsibilities of the department.

However, they point out that, "religion is manifestly not merely the handmaid of the other disciplines, and the most important function of the department is to see that it is studied honestly in its own right."

### Zucker From Upsala

Dr. Zucker is presently professor of philosophy and chairman of the departments of philosophy and religion at Upsala College, East Orange, New Jersey. He was educated in the University of Berlin. He taught in Germany and Estonia before World War II, and after the war spent four years working with refugee organizations in Southern Germany. He has published the works, "German Romanticists," "Estonian Mythology," and the "History of the Ideas of the Fourteenth Century."

The addition of Dr. Zucker brings the strength of the Department of Religion to three, all of whom have come to the study of religion from another discipline, Professor Baly from geo-

### ALUMNI SEMINAR PROGRAM FOR COMMENCEMENT IS SET

A probable schedule has been set up for the previously announced program of Alumni Seminars to be held over Commencement weekend. The General subject of the program will be "Methods and Results of Scientific Discovery." The program has been divided into three sessions in which the subject will be attacked by a scientist, a biblical scholar and a philosopher.

Professor Miller will open the program with the first session, Saturday morning, June 6. The topic of his lecture will be "Radiation from Outer Space: A Case History in Experimental Science."

Professor Denis Baly will speak at two in the afternoon on the topic, "Space, Time and Eternity."

Professor Virgil Aldrich will lead the final session which will meet at 3:15 in the afternoon. His topic is, "A Philosophical Theory of Outer Spaces."

The seminar program is open to alumni and their wives and families; to the parents of members of the graduating classes; and to all other guests of the college. There is a registration fee of \$2.00 for all three sessions or \$1.00 for each single session.
